INVEST IN LEBANON

**DIRECTORY OF  
AGRICULTURE EXPORTERS  
IN LEBANON  
2016**

## BACKGROUND

The Export directory aims to provide interested importers/ buyers of Lebanese products with accurate and relevant information on the major agriculture exporters in Lebanon to establish successful business partnerships. The basic scope of information in this booklet covers exporters contacts information, product description and location.

The directory is divided into twelve main sections, covering the 5 fruits categories (Apples, Banana, Citrus, Grapes and Other Fruits), the 3 main vegetables categories (Potatoes, Onions and Other Vegetables) and other agriculture produces that are exported from Lebanon (Eggs, Flowers and Plants, Honey and Olive Oil).

*To obtain more information on the Agricultural Exporters please download the Agriculture Exporters Directory.*

*Note: Many of the exporters are present under more than one product category.*
